- k. Discussion of draft ISOK Strategic Plan**
The goal of the plan is to align to the Statewide Virtual Charter School Board's Performance Framework, but the Statewide Virtual Charter School Board is still drafting the framework. ISOK has goals listed that fit within the framework categories, but are not the same as what will ultimately be defined in the authorizer's framework. ISOK will continue to align the plan as more information is available from the authorizer. Dr. Wilkinson noted that ISOK, having a specific mission to serve at risk students, does not fit in the current draft of the Statewide Virtual Charter School Board Performance Framework. The Statewide Virtual

Charter School Board will have to determine how to evaluate ISOK using revised benchmarks in the framework.

James Smith would like to meet with Sheryl Tatum and Bill Hickman to work on the plan.

Lealon Taylor brought up the fact that the word "faithful" is used, which could hold a religious connotation. The terms "dedication" or "integrity" were suggested as alternatives.

I. Discussion of draft Education Service Provider Evaluation Instrument

Discussion: Sheryl Tatum explained that this is a rough draft of an evaluation tool for the board. Bill Hickman, ISOK attorney, has been working on this draft. Sheryl Tatum suggested presenting information about at least one piece of the plan at each meeting so they are prepared to evaluate on an annual basis.
